

Security Cameras

**Set up video surveillance
to secure your premises
with this range
of cameras.**

FEATURES

- » Capture images with high-quality color and black-and-white cameras from Black Box.
- » Use the infrared night vision models to see things that go bump in the night.
- » Bullet cameras feature a protective casing, so they can be installed outdoors.

OVERVIEW

IR Night Vision Cameras (6125-B, 6125-S, 5125)

- Infrared-sensitive CCD cameras see up to 30 feet (9.1 m) in the dark.
- Sharp image— $\frac{1}{8}$ " CCD is approximately 250,920 pixels in EIA and 291,000 in CCIR!
- Color and black-and-white versions available.
- Color cameras offer up to 380 lines of horizontal resolution, provide 0.5 lux sensitivity at F2.0 and are available in black and silver.
- Black-and-white camera features 420 lines of horizontal resolution and provides 0 lux sensitivity at F2.0.
- All include a 3.6-mm board lens.
- Compact size. Cameras are just 2.4" (6.1 cm) long with a 2" (5.1 cm) diameter.
- Also include 12-VDC power supply and a 2.1"H x 2.1"W (5.3 x 5.3 cm) U-bracket that you can adjust for wall or ceiling mounting.

Color Bullet Camera with Varifocal Zoom Lens (6010)

- Fantastic imaging—up to 380 lines of resolution and $\frac{1}{8}$ " CCD!
- Varifocal manual zoom ranges from F1.6 to F2.4 to zoom in on intruders.
- Weatherproof casing makes this camera great for monitoring outdoor locations and trespassers on your property.
- Uses 12-VDC power.
- Camera provides standard 0.5 lux sensitivity at F2.0 or EX view version 0.1 lux sensitivity at F2.0.

Color Waterproof Bullet Cameras (6005-B, 6005-W)

- View outdoor shots in black and white or color. Cameras can switch to black-and-white mode to handle poor lighting conditions and excessive glare.
- Provide up to 380 lines of resolution.
- Weatherproof casing makes these cameras great for outdoor locations.
- Each camera includes a 12-VDC power supply, a 3.6-mm lens, and a universal swivel mount.
- Available with black or white finish.
