

Laptop Cabinet

The lockbox designed exclusively for laptops.

FEATURES

- » Protect your laptop computer and your data from theft and vandalism.
- » Store your laptop and other valuables under lock and key
- » Features a heavy-duty security lock.
- » Constructed of strong, 16-gauge steel.
- » Easily mounts virtually anywhere.
- » Ideal for use in your home, office, dormitory, and more.

Protect your laptop from theft and prying fingers.

Just slip your laptop into the sturdy, steel Laptop Cabinet from Black Box and lock it up. Two layers of one-inch foam protect your computer from scratching and jarring.

You can mount this innovative cabinet almost anywhere—under a desk, on a wall, in closets, and in dorm rooms. The cabinet includes all mounting hardware and a template.

In addition to the heavy-duty security lock (two keys included), a steel lip prevents the cabinet from being pried open.
